PROFESSIONAL SERVICES

Marc Chartrand is a highly qualified CFO with over 30 years of experience in guiding business owners through critical financial decisions. As a Fractional CFO at Gauvreau, Marc supports SMEs with strategic planning and financial oversight to help them strengthen their finances and position themselves for long-term success.

Known for his calm leadership and practical judgment, Marc also brings deep expertise in succession planning, customizing shareholder agreements, and acquisition strategies. He has worked extensively across sectors including technology, healthcare, and public foundations, supporting both day-to-day finance operations and high-impact strategic initiatives.

A bilingual Chartered Professional Accountant and trusted advisor, Marc is committed to helping entrepreneurs simplify complex issues/problems, increase value, and move forward with clarity and confidence.
