

SYLVIE LE BOUTHILLIER

DIRECTOR OF CFO SERVICES

HEALTHCARE

CONSTRUCTION

PUBLIC SECTOR

PROFESSIONAL SERVICES

Sylvie Le Bouthillier is an experienced virtual CFO and strategic business partner with over 25 years of experience leading finance, improvement projects, operations, and cross-functional changes across North America and Europe as well.

As Director of CFO Services at Gauvreau, Sylvie also works with business owners and executive teams to drive improvements, growth, navigate complex problems/issues, and align operations with long-term goals. Sylvie also brings extensive experience in process re-engineering, M&A integration, ERP implementations, restructuring, and multi-entity financial leadership. Known for her energy, drive to get things done, and ability to bring people, processes and systems together, she has led successful finance transformations across sectors including professional services, healthcare, construction, and public service.

Bilingual, with a holistic mindset and a sharp operational lens, Sylvie helps businesses implement practical solutions that create structure, clarity, and measurable impacts.
